San Mateo Credit Union Celebrates Second Anniversary of North Fair Oaks Branch

“VIVA! North Fair Oaks” is the theme of the celebration commemorating the second anniversary of the San Mateo Credit Union (SMCU) branch located at 3117 Middlefield Road in Redwood City. From September 15 through 19, the North Fair Oaks branch will be the site of special financial promotions, raffles, giveaways, and festivities, as SMCU marks the robust health and growth of this location.

During the celebration, SMCU is waiving the usual membership fee and featuring a checking account that can be opened with as little as \$25. The new Registry Certificate Account will be unveiled, offering an easy way for family and friends to contribute to a savings plan for a young girl’s quinceañera. These specials will also be available throughout Hispanic History Month, September 15 – October 15.

Anniversary giveaways will include VIGO Cards for fee-free international money transfers and an assortment of food and treats. The highlight of the event will be a grand-prize drawing for a 24-inch LCD television.

“We are honored to be here to meet the financial needs of the Hispanic community,” says SMCU CEO and President Barry Jolette. “SMCU was welcomed with open arms two years ago. This event is an opportunity to celebrate with local residents and to thank them for their support.”
